

# Dengie Alfa-A Oil

## USEFUL INFO:

- Alfa-A Oil is our fibre feed with the highest slow release energy level, ideal for fuelling horses in work, promoting weight gain and generating exceptional condition.
- A blend of alfalfa and rapeseed oil providing 12.5MJ/kg of Digestible Energy from fibre and oil – a comparable energy level to a competition or conditioning mix or cube, but with 10x less starch
- Alfa-A Oil is rich in highly digestible fibre and packed with natural vitamins and minerals
- Alfalfa is a widely recognised ingredient for promoting digestive health due to its natural buffering properties. Alfa-A Oil is approved by BETA for horses and ponies prone to Equine Gastric Ulcers Syndrome
- Abundant in quality protein for aiding topline and muscle development
- Contains no added sugar and is naturally low in starch at just 2%
- High in oil for show ring condition, healthy skin and exceptional coat shine
- Free from molasses, preservatives and straw
- Contains 100% natural ingredients grown in the UK
- One large round scoop holds 400g
- 20kg bale, 6 months shelf life
