

USEFUL INFO:

- Alfa-A Original is a pure alfalfa high-fibre feed with a molasses coating for horses in work, breeding and youngstock.
- A high-fibre feed providing 10MJ/kg of Digestible Energy comparable to a cool mix or cube, but with 10x less starch
- The addition of a molasses coating aids palatability and encourages fussy feeders
- Alfa-A Original is rich in highly digestible fibre and packed with natural vitamins and minerals
- Alfalfa is a widely recognised ingredient for promoting digestive health due to its natural buffering properties
- Abundant in quality protein for aiding topline and muscle development
- Alfa-A Original is naturally low in starch at just 2%
- Free from preservatives and straw
- The alfalfa is precision-dried to lock in natural nutrients and produce an exceptionally clean source of fibre compared to sun-dried forages
- One large round scoop holds 400g
- 20kg bale, 7 months shelf life
